CAMPUS CELEBRATES AIDS AWARENESS WEEK

Ohio AIDS AWARENESS WEEK will be celebrated from May 7-13. Lima Technical College and the Ohio State University Lima, in cooperation with the Allen County AIDS TASK FORCE, will sponsor a full week of events to educate the campus and the citizens of Allen County and encourage them to examine the issue of AIDS. On Monday, May 8 there will be a panel discussion on WHAT IS AIDS?, given by the members of the AIDS TASK FORCE, starting at noon in Reed Hall 160. Immediately following, people who are living with AIDS put a human face on this deadly virus, when they talk about LIVING WITH AIDS. (Reed Hall 160, at 1:00)

On Tuesday, May 9 students will be interested in learning how to "MAKE SEX SAFER," a lecture/demonstration on a subject that is vitally important in halting the spread of AIDS. Wednesday's program (May 10) will explore the option of Abstinence in "CHOICES", at noon in Reed Hall 160. On Thursday there will be FREE ANONYMOUS HIV TESTING, 12-4 in Galvin Hall 305. On Friday, May 12, the final program focuses on FAMILY AND CAREGIVERS at noon in Galvin 124. This program will help students discuss how to talk to friends and family members who may have AIDS. Be sure to purchase your RED RIBBON for AIDS AWARENESS, being sold throughout the week. Your .50 donation will help with the work of the AIDS TASK FORCE. This is an important contemporary issue that could affect your life. Be sure to give this project your support.

Other community programs during the week include: "In Memory", a memorial service at Christ Church Episcopal at 7:00 pm on May 8 and "Community Prevention", a forum at the Lima Public Library at 7:00 pm on May 9.
